### WORK EXPERIENCE

JANUARY,2017 – FEBRUARY,2018

Volunteer at Elimu TV.

During my volunteering at Elimu TV I assisted in website development for the company.

Uploaded educational content in the website as an assistant to admin.

MARCH,2018 – FEBRUARY,2019.

BONA INTERNATIONAL TRADING & LOGISTICS LIMITED.

I gained my supervisory skills by supervising 3 25m water towers for the STANDARD GAUGE RAILWAY KENYA(SGR) IN MAIMAHU, SUSWA, NACHU train stations respectively. A contract awarded to a private company.

MARCH,2019 – MARCH,2020.

C & G RECREATION COMPANY.

C & G RECREATION COMPANY was a mother company to Charm Lounge where I acted as an assistant manager during night shift. Reporting to the directors In case of situations during the night shift.

Got a chance to interact with bar and restaurant management system by creating, updating and deleting users from the system. Also updated the code of the system according to the management specifications.

I also acted as Stock Controller during the night shift.

During my time in charm lounge, I was in charge of kitchen, my main duties were to ensure smooth running of the kitchen handling both customers where I learned customer care services also handling money.

APRIL 2021 – FEBRUARY 2023.

During my time in construction I engaged myself in different areas, for carpentry I learned the art of measuring and time keeping, it was a necessity to keep time. In masonry area I learned the need to socialize with people from different cultures and beliefs.

For electrical wiring it was all about connecting with people and keeping the desire to network with professionals from all fields.

JANUARY 2024 – MAY 2026.

During my time in Fairmart Supermarket Limited where I worked as a shelf attendant.

I had experience in different areas of life. Emotional intelligence was the master to having a good experience, from handling customers who had long days at work wishing they could get home and rest. To the customer who didn't find what she was looking for and was disappointed. Sales was another experience I gained, by explaining to customers why they should try something new. Arranging different products and displaying the products in the right way helped me learn the art of neatness and being tidy.
